

Good Morning Faiss Families!

Progress Reports were distributed to all students on Friday during their 2nd period class. If your son/daughter did not bring theirs home, you may also access it through the Infinite Campus Parent Portal. If you need assistance with setting this up or retrieving a password, please come by the office and we can assist with that. As a school we are targeting specifically our students that performed poorly on Q1 and are continuing to struggle during Q2. Teachers and other Faiss staff, may reach out to you to offer ways for your child to improve their grades before semester exams.

Thank you to all who donated to our Penny for Your Thoughts! We were able to raise over \$2800 and the total campaign between the 6 middle schools raised over \$24,000! Though we placed 3rd, I am so proud of our efforts and I know next year we will win.

We have a 5 day week this week and then all students and staff will be off for the entire week of Thanksgiving. Our offices will reopen on Monday, December 2 at 8am.

Here's what is happening on campus this week:

All regular tutoring/clubs will happen. Late bus will be available Monday-Thursday.

We are continuing to collect canned/non-perishable food items for families in need. Please send these with your son/daughter or drop them off in the front office.

This Tuesday, November 19, Sierra Vista HS is hosting a 1 hour informational session from 5pm-6pm on the dangers of vaping for young people. Dr. Anazone, Principal at Sierra Vista, has graciously invited the area middle school families to attend as well.

Thursday 11/21 Staff vs. Student Basketball Game. 3:30pm in the Faiss Gym. Students are \$1 and Adults are \$2. Please come support our basketball program!

That's it for this week! Please let me know if you have any questions, concerns, or compliments!

Respectfully,

Roger West, Principal
